Refreshing hugo cocktail that will kick off your aperitivo hour in style! Made with a simple blend of elderflower cordial, prosecco, fresh mint leaves & lime

Alfresco Fizz 8

Grey Goose vodka, elderflower cordial, freshly squeezed lime, chilled soda water & lime garnish

gins

Bombay Sapphire 7.5

Bombay Sapphire uses an uncommon distillation method called vapour infusion. There are ten botanicals used including almond, lemon peel, liquorice, juniper berries, coriander and grains of paradise. Mix it with Fever-Tree sicilian lemonade and a slice of lemon

Hendrick's 7.5

A most unusual premium gin distilled in Scotland featuring juniper, cubeb berries, elderflower, chamomile, lemon & orange peel. Mix it with Fever-Tree Mediterranean tonic and slices of cucumber

Gordon's 7.5

A juniper and citrus-infused gin said to be the 'ginniest of gins' with a character and balance of subtle flavours. The infusion of cucumber, rose petals, nutmeg & coriander seeds create a wonderfully refreshing gin with delightful aromas. Mix it with chilled tonic water, a squeeze of lime & mint leaves

Rock Rose 7.5

Britain's most northerly mainland distillery, Rock Rose uses an increasingly unique distilling process which infuses 18 botanicals of which 5 are grown locally. Perhaps most interestingly, they use two types of junipers which are blended together to create a unique taste for their gins. Mix with light Fever-Tree tonic and a sprig of rosemary

Gordon's Premium Pink 7.5

Inspired by an original Gordon's recipe. Gordon's Pink is perfectly crafted to balance refreshing & natural sweetness of fresh fruit flavours to guarantee the highest quality real berry taste. Mix with chilled sicilian lemonade & strawberry wedges
